

Out of the Box Talk

Do you have a life sciences background and always wondered how it is to work as a **Management Trainee in Biopharmacy**? Then you should definitely go to this ÖGMBT YLSA Out of the Box Talk: Dr. Michael Wildauer, Management Trainee @ Shire, will show us how his daily work looks like, and will give insights into which skills are needed to be successful in this profession.

After his presentation, there will be Q&A and a relaxed conclusion with drinks & snacks. If you want to participate, write an E-Mail today, as the number of participants is restricted. Participation is free for ÖGMBT members, but registration is required until 08.11.2017.
